

**Joint Symposium for JSVS2016, ISHAM-Veterinary Mycology
and -Medical Phycology Working Groups**

"Veterinary Mycology and Phycology 2016"

9:30 to 15:50 on 8th September 2016 at Nihon University
College of Bioresource Sciences at Fujisawa, Japan

Location: Nihon University College of Bioresource Sciences

1866, Kameino Fujisawa, Kanagawa 2520880, Japan

Website of the College: <http://hp.brs.nihon-u.ac.jp/~english/about/>

Access: <http://hp.brs.nihon-u.ac.jp/~english/access/>

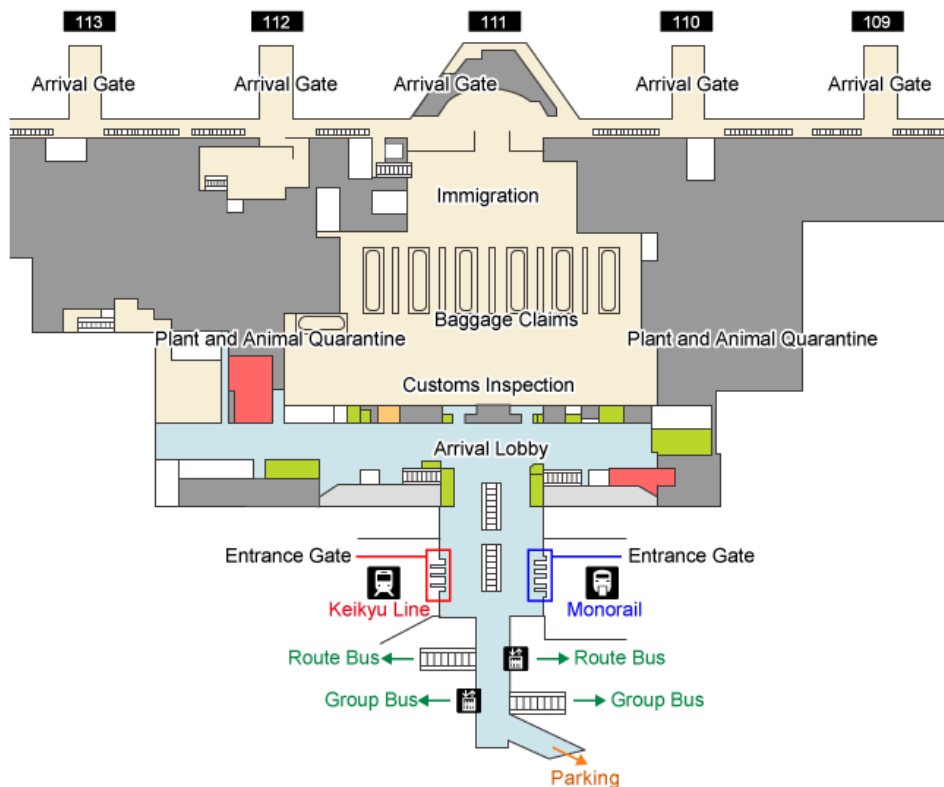

Flight Connection in Haneda Airport

If you have a flight connection at Haneda Airport, please visit the airport website for more information : <http://www.haneda-airport.jp/inter/en/>

Coming from Haneda Airport with rail services

Arrival Floor: 2nd Floor

Haneda airport website: <http://www.haneda-tokyo-access.com/en/airport/>

1. After exiting the customs, make your way to the KEIKYU LINE.
2. Go to YOKOHAMA Station on the KEIKYU LINE.
3. From YOKOHAMA Station, take the SOTETSU LINE (bound for EBINA/SHONANDAI) to SHONANDAI Station.

SOTETSU LINE website: <https://www.sotetsu.co.jp/en/>

4. From SHONANDAI Station, change to the ODAKYU LINE to MUTSUAI NICHIDAI MAE station. This is the nearest station to our college.

ODAKYU LINE website: <http://www.odakyu.jp/english/index.html>

Flight Connection in Narita Airport

If you have a flight connection at Narita Airport, please visit the airport website for more information: <http://www.narita-airport.jp/en/index.html>

Coming from Narita Airport with rail services

1. After exiting the customs, go to B1F and visit the JR east counter. Buy a return ticket on the NARITA EXPRESS (N'EX) for OFUNA Station. This return ticket will cost you ¥4000 (All reserved seats with special discount for foreigners).

JR East website: <http://www.jreast.co.jp/e/nex/>

2. Take the N'EX for OFUNA Station.
3. From OFUNA Station, change to the TOKKAIDO LINE (bound for ODAWARA/HIRATSUKA) to FUJISAWA Station.
4. From FUJISAWA Station, exit the ticket gates. Your N'EX ticket only brings you to OFUNA station. You need to pay extra for the distance between OFUNA and FUJISAWA station. You may go to the side of the exit gates to pay the extra fees to the station master.
5. From FUJISAWA Station, change to the ODAKYU ENOSHIMA LINE (bound for SAGAMI-ONO) and get off at MUTSUAI NICHIDAI MAE station. This is the nearest station to our college.

ODAKYU LINE website: <http://www.odakyu.jp/english/index.html>

Hotel accommodation

Program

9:30 to 15:30 on 8th September 2016 at Nihon University College of
Bioresource Sciences at Fujisawa, Japan

Co-chairperson : Prof. A. Hasegawa (Japan), Prof. K. Makimura (Japan) and
Dr. S. Y. Lim (Malaysia)

Introduction

General taxonomy and classification of Fungi

Dr. A. Seyedmousavi (USA) 30 min (Q&A 5 min)

Mycoses in Companion Animals

1. *Malassezia* dermatitis in dogs and cats: current recommendations and
relevance of topical treatments

Prof. J. Guillot (France) 30 min (Q&A 5 min)

2. Aspergillosis in new mycosis due to a new fungal species

Dr. V. Barrs (Australia) 30 min (Q&A 5 min)

Break 10 min

3. Cryptococcosis in companion animals

Dr. R. Malik (Australia) 30 min (Q&A 5 min)

4. *Microsphaeropsis arundinis*, which is an emerging infectious disease of humans and animals in Australia

Dr. R. Malik (Australia) 20 min (Q&A 5 min)

Lunch 12:00-13:00

5. Sporotrichosis: an “old” disease but an ongoing threat for animal and human health

Prof. J. Guillot (France) 30 min (Q&A 5 min)

6. Protothecosis in animals in Australia

Dr. R. Malik (Australia) 20 min (Q&A 5 min)

7. Scedosporiosis in cats and dogs in Australia

Dr. V. Barrs (Australia) 20 min (Q&A 5 min)

Break 10min

Mycoses in farm Animals and Antifungal Drug Resistance

1. Aspergillosis: a real threat for poultry industry?

Prof. J. Guillot (France) 30 min (Q&A 5 min)

2. Azole resistance in *Aspergillus fumigatus* in EU: why it is increasing in the world?

Dr. A. Seyedmousavi (USA) 30 min (Q&A 5 min)

3. Azole farm fungicide and azole resistance in *Aspergillus fumigatus*: is it increasing in Japan?

Dr. R. Kano (Japan) 30 min (Q&A 5 min)

Registration fee

- Free for students, post-docs, JSVS registered members
- JPN Yen 5,000 for academia

For registration/detailed information please contact course directors

- Dr. Rui Kano (kano.rui@nihon-u.ac.jp)
- Dr. Amir Seyedmousavi (S.Seyedmousavi@gmail.com)
